THANK YOU

Thank you for considering the sponsorship opportunities available to you from the Haysville Aviators Baseball organization. We are a 501(c)(3) tax exempt charitable and educational organization, (EIN #46-4190624).

Sponsors, donors and volunteers are the backbone of this organization. Your sponsorship would give us the momentum we need to push and bring in the total of \$14,000 projected sponsorship need budgeted to complete another season of excellence in summer collegiate woodbat baseball.

The Haysville Aviators mission is to glorify God by building well-rounded leaders who demonstrate the values of Integrity, Faith, and Excellence

Core Values

Integrity: Consistent and reliable alignment of belief and actions.

Faith: Belief that God is real and alive, His Word is true, and that a life lived pursuing Him is the best life possible. This belief is given by God for our salvation and to move us to action. It cannot be generated or earned by us.

Excellence: To live for and be motivated by the glory of God. This kind of life will not be defined by perfection, superiority to others, or winning; but always is marked by love and growth in God-like character and actions.

Background

- The Haysville Aviators are a proud member of the Jayhawk League. The Jayhawk League is Summer Collegiate Baseball at its best! It was sanctioned by the NCAA in 1976 with a long standing history of two of its eight teams, Liberal BeeJays and Hays Larks. Haysville Aviators joined the league in 2015 after being a part of the Walter Johnson league.
- The Jayhawk League is one of the most prestigious, well scouted, and competitive leagues in the nation. The league has an automatic berth into the National Baseball Congress World Series that is played in Wichita.
- Jayhawk League teams continue to dominate at the NBC World Series. The Jayhawk League is recognized as a premier league in the National Baseball Congress.
- The Haysville Aviators have helped the Jayhawk continue its premier status by playing in the NBC Championship week 3 out of 4 years since the Aviators moved to Haysville.

VULCAN FIELD

@ Plagens-Carpenter Sports Complex

- Plagens-Carpenter Park consists of 30 acres located south of 63rd Street between Broadway and Seneca (665 W. 63rd Street Haysville, KS 67060). This complex consists of eight ball fields. Vulcan Field (Field 1) is home to the Campus High School Colts and the Haysville Aviators Collegiate baseball teams. The field has an announcer box and flag pole for use during games along with a concession stand and restrooms which are located right behind the announcer box.
- When youth teams that play on adjacent fields finish up, they often grab some concessions and take in the rest of the Aviators game.
- Aviators games offer a family friendly atmosphere to enjoy America's pastime.
- FREE admission to all Aviators games at Plagens-Carpenter.
