THANK YOU

Thank you for considering the sponsorship opportunities available to you from the Haysville Aviators Baseball organization. We are a 501(c)(3) tax exempt charitable and educational organization, (EIN #46-4190624).

Sponsors, donors, and volunteers are the backbone of this organization. Your sponsorship would give us the momentum we need to push and bring in the total of \$15,000 projected sponsorship need budgeted to complete another season of excellence in summer collegiate wood bat baseball.

THE HAYSVILLE AVIATORS MISSION IS TO GLORIFY GOD BY BUILDING WELL-ROUNDED LEADERS WHO DEMONSTRATE THE VALUES OF INTEGRITY, FAITH, AND EXCELLENCE

CORE VALUES

INTEGRITY: Consistent and reliable alignment of belief and actions.

FAITH: Belief that God is real and alive, His Word is true, and that a life lived pursuing Him is the ultimate good life. This faith is given by God for our salvation to move us to action—to live for and be motivated by His glory.

EXCELLENCE: Doing the best we can with what we have been given. This lifestyle cannot simply be defined by perfection, superiority to others, or mere winning; but is marked by love and growth in godly character and actions.

BACKGROUND

- The Haysville Aviators are a proud member of the prestigious Jayhawk Collegiate League. The Aviators joined the league, then operating as the Sunflower Collegiate League, in 2019 after being a part of the Walter Johnson League (2013-14) and the historic Jayhawk League (2015-18).
- The new Jayhawk Collegiate League is quickly becoming one of the most prestigious, well-scouted, and competitive leagues in the nation. The league champion has an annual automatic berth into the National Baseball Congress World Series that is played in Wichita (we often have 3 teams playing in this).
- Jayhawk League teams continue to dominate at the NBC World Series—one of our teams was Champion this past year (2023). It is as a premier league in the National Baseball Congress and undeniably the best in Kansas.
- The Aviators have competed in the NBC World Series in 5 of their 10 years here in Haysville (2014, 2015, 2016, 2019 & 2022)

VULCAN FIELD, PLAGENS-CARPENTER PARK

- Plagens-Carpenter Park consists of 30 acres located south of 63rd Street between Broadway and Seneca (6545 Mabel St, Wichita, KS). This complex consists of eight ball fields. Vulcan Field (Field 1) is home to the Campus High School Colts and the Haysville Aviators Collegiate baseball teams.
- When youth teams that play on adjacent fields finish up, they often grab some concessions and take in the rest of the Aviators game.
- Aviators games offer a family friendly atmosphere to enjoy America's pastime.
- FREE admission to all Aviators games at Plagens-Carpenter.
